Students, Residents, and Fellows Series at SGIM25

First time at SGIM? Feeling a little overwhelmed when you look at the program?

We have curated the following list of sessions with content that will be most helpful to you as a trainee and first-time attendee. This is not meant to be an exhaustive list of all the incredible programming at SGIM25; rather, this list intentionally focuses on career development sessions to help you build professional skills to be successful in academic medicine.

Wednesday, May 14

11:30 AM – 5:00 PM

GIM Fellows Pre-Course

Topics include: How to build local peer and mentorship teams, applying and negotiating for a first academic job, optimizing the transition from fellow to faculty, engaging in team science, and becoming involved in reviewing and editing. (\$25 registration fee. This is an add-on to regular meeting registration.)

5:30 PM – 7:00 PM
